How you can be involved

Day 1

Row - If you haven't already done so let John know that you'd like to row on the day. It doesn't matter how long you've been a member, get your name down and row. Your family and friends might come along and cheer you on. If you want to practice a little, sign up for Saturday Race Training - Thistle 8.30am to 10am will cover the basics like the commands for a racing start, getting familiar with the course, etc. **Help out** - If you haven't already been nabbed for a specific job, just turn up at 8am and ask John or Eleanor 'How can I help?'

Day 2

Row - Soon you'll be asked if you'd like to take part. If more are interested than can be accommodated on our two skiffs, some members might get the bus over and row back, others may kayak or even paddle board.

See you there - cannea wait!
