1900 - Introduction - Lucie

1905 - Regatta - Doreen

Very successful start to the season with our own regatta on 11 May. We couldn't have asked for better weather which lifted everyone's spirits. Great feedback from the visiting clubs who all had a great day, the food received lots of compliments. The overall winners were Troon, with FOCCR's and Stranraer coming in 2nd equal.

This was followed by Prestwick regatta on June 1st which was another lovely day although a bit breezy later. FOCCR;s excelled themselves coming out on top at the end of the day in spite of the course finish line causing some confusion. Troon were 2nd and Prestwick 3rd.

Troon regatta should have taken place on the 8th June but had to be cancelled due to high winds. They hope to reorganise for later in the year.

Arran Regatta is scheduled for June 22nd but unfortunately only four members have so far signed up. Royal West have invited us to make up a joint team (they have 9) which we are going to do. We will be using an Arran skiff as Royal West had already arranged this so our skiff booking on the ferry has been cancelled.

Discussed having a later in season FOCCR regatta.

Regatta - Gathering in LSC worked well after the racing for the prize giving, raffle draw and social, in place of the usual Ceilidh. Hampers for prizes were a success; it was easier buying 3 hampers for the Social Committee, saved co-coordinating collecting, displaying etc . £600 profit for club.

Food - everyone enjoyed the nachos & burgers. Tea and home baking tent was well supported by members donations. Plenty of disposables left to use at other events.
